CERTIFICATE IN FILM & DESIGN

1 year programme K 20 000 (See Application Form for Payment Options)

The certificate in Film & Design brings together the skill sets of film production and graphic design needed by today's digital media entrepreneur. Learners are given foundational competencies required to enter a career in digital creativity, with enough knowledge across the fields of film, animation, design and interactive media, to be able to decide what areas of specialisation they wish to develop further

TEVETA ACCREDITED

Open Window Zambia has been granted registration with TEVETA, Reg No: TVA/1061 to offer training at Certificate Level 4 for the Film + Design Essentials Course.
